FACE IN THE CROWD LYRICS

Before all of this ever went down

In another place, another town

You were just a face in the crowd

You were just a face in the crowd

Out in the street walking around

A face in the crowd

Out of a dream, out of the sky

Into my heart, into my life

And you were just a face in the crowd

You were just a face in the crowd

Out in the street, thinking out loud

A face in the crowd

Out of a dream, out of the sky

Into my heart, into my life

And you were just a face in the crowd

You were just a face in the crowd

Out in the street, walking around

A face in the crowd

Face in the crowd

A face in the crowd

A face in the crowd
